Please use the above grid to indicate the preferred placement of the adhesive label being used in your project. Coordinate AO represents the upper most left corner of the appropriate jewel case/print panel (which you must indicate below). For a square or rectangle sticker, indicate the upper left-hand corner. For an oval, round, or "burst" sticker, indicate the highest point. You may also mimic the shape of the sticker to further clarify.

**Please indicate your choice:**

1. Attach the sticker to the:       Front     Back     Spine of the jewel box.
2. Attach the sticker:                 Inside                 Outside of the jewel box.
3. If INSIDE, attach the sticker on the:     Booklet                 Inlay
4. If OUTSIDE, attach the sticker:         Inside                 Outside the shrinkwrap.
